ORDER:

Telangana State has set very ambitious targets of providing more than 25 lakh individual toilets to the uncovered rural households by 2<sup>nd</sup> October, 2018. In this regard Government have observed that, the IHHL programme is partly being implemented under SBM (G), which is being handled in RWS Department and 50% of Toilets are being constructed under NREGS under Rural Development Department besides other activities related to Solid and Liquid Waste Management in the rural areas. In such circumstances there are two parallel structures lacking co-ordination and integration at the field level in running the IHHL Schemes. In order to bring focus and integration in a coordinated and time bound manner, it is felt desirable to designate Director, PR&RD as Project Director, SBM (G) for bringing integrated approach to rural sanitation issues.

2. The Director, Rural Development, Hyderabad has submitted proposal to designate the Director, PR&RD as Project Director, SBM (G) to look after all subjects related to SBM (G) in order to facilitate effective implementation and monitoring of rural sanitation issues.

3. Accordingly, Government hereby designate Smt Neetu Kumari Prasad, IAS, Director Rural Development, Hyderabad as Project Director, SBM (G) to look after all subjects related to SBM (G) in order to facilitate effective implementation and monitoring.
